

Tapping Fluid

Increases Productivity and Tap Life!

EMUGE Tapping Fluid is an extreme duty drilling and tapping fluid. EMUGE Tapping Fluid is thick like honey and will stick to the tap throughout the tapping operation. Ideal for tapping and drilling stainless steel, carbon steel, Inconel, Monel, Hastalloy, titanium, and other alloys and exotics.

- Greatly extends tap and drill life
- Reduces torque
- Improves finish and size
- Mild pleasant odor
